

How to become a Glocalgaz™ distributor

Kosan Crisplant Cameroon S.A. encourages Cameroonians to be self-employed or to invest, even if they are on a job.

1. Why choose Glocalgaz™ ?

Glocalgaz™ is the future in the LPG cylinder world.

Read more: "15 Good Reasons"

2. Eligibility

A) Theory

- A passion for Glocalgaz™ and a firm desire to place it in homes while respecting standards and operational efficiency
- Citizens with high moral values in business dealing
- Previous business experience in LPG or related activity
- Newcomer both in the business world and gas distribution
- Adherence to all Fiscal Obligations related to gas distribution

B) Practice

- Storage or warehouse according to universal safety norms
- Logistics vehicle
- Own a distribution network or be ready to develop a network in record time
- Readiness to work on stretched targets
- Obligation to share data on activities with Kosan Crisplant Cameroon S.A.
- A bank account

3. What Is the Cost?

All you need is an initial capital of 2,500,000 FCFA (two million five hundred thousands). Your capital can always grow as the business grows.

4. What Is Involved In the Cost?

The initial capital is intended for payment for the cylinders, the gas and the regulators.

Note:

The cost of the cylinder is considered as a deposit and will be reimbursed upon termination of business dealings.

5. What Returns Can You Expect?

- With good management you can achieve interesting and high profits.
- Special incentive granted by Kosan Crisplant Cameroon S.A. on excellent performance.

6. What Is the Relationship Between Kosan Crisplant Cameroon S.A. and the Glocalgaz™ Distributors?

- Kosan Crisplant Cameroon S.A. has operational procedures and most especially safety and service standards that all distributors must follow.
- These rules are not imposed, but intended for the welfare of both parties when expected success and growth is evident for both parties.
- Kosan Crisplant Cameroon S.A. is available for training of our partners' staff in product benefits and route to the market.
